Re: Mohamed Musaid v. Michael Kirkpatrick
19 Civ. 7944 (AT) (RWL)

Your Honor:

I am the attorney representing the respondent in the above-captioned habeas proceeding. Your Honor's April 12, 2021 order directed the respondent to submit a letter indicating whether the Petitioner appeared in front of the trial judge before ordering each of the § 730 examinations ordered in this case, and whether defense counsel requested the § 730 examinations or the judge ordered them sua sponte. Your order also asked the respondent to file transcripts of those hearings, to the extent any exist, on the docket by April 20, 2021.

I write to request a 30-day extension, to May 20, 2021. I am engaged in preparing a brief on an appeal that is currently before the Appellate Division of the New York Supreme Court, First Judicial Department. That brief must be filed on or about April 21, 2021. Furthermore, in order to address the issues raised in the Court's order, I will need to order the case file from our records department which often takes one week or more, and read through the voluminous records. Petitioner's counsel has consented to this request.

I apologize for any inconvenience that this request might cause. Thank you for your consideration.

Respectfully submitted,
